

# CoCounsel Core Knowledge Search

皆さん、日々の業務で「あの情報、どの資料にあったかな？」と、  
大量のデータの中から目的の文書を探すのに苦労した経験はありませんか？

実は、話題の生成AIも、文書から情報を要約したり抽出したりするのは得意ですが、  
その前提となる「参照すべき文書」そのものを見つけ出すのは苦手です。

その山ほどの情報量から、  
必要な文書を的確に探し出してくれるのが、CoCounselの**Knowledge Search**機能です。

The screenshot shows the Thomson Reuters CoCounsel Core application. On the left, a sidebar menu is open, with the 'Knowledge Search' option highlighted by a red box. The main content area displays a 'Recent chats' list and a 'Welcome, Vana' message. Below this, a section titled 'Your CoCounsel skills' lists four options: Research, Review, Summarize, and Draft. At the bottom, there is a search bar and a 'Show all skills' link.

The screenshot shows the Thomson Reuters CoCounsel interface. On the left, there's a sidebar with 'Recent chats' (Contract Playbook, Creating a Checklist from a Contr..., Criminology, Contract review, Jurisprudence, Bentham's Utilitarian Perspectiv..., Comparing Contract Law: Florid...), a 'Knowledge Search' search bar, and links for Databases, Favorites, Plugins, Admin settings, Support, Legal information, and Account. At the bottom of the sidebar, it says '© 2024 Thomson Reuters. All rights reserved.' The main area is titled 'Knowledge Search' and contains a 'Knowledge Search' section with a query input field ('Enter your query') and a '4 sources' section with icons for OneDrive, SharePoint, Practical Law UK, and Westlaw UK. A 'Select content sources' dialog box is overlaid on the main interface. This dialog box has a title 'Select content sources', a sub-instruction about selecting up to 5 sources, and a list titled '4 out of 5 selected' with checkboxes for OneDrive, SharePoint, Practical Law UK, and Westlaw UK. The 'Westlaw UK' checkbox is highlighted with a red box. At the bottom of the dialog are 'Manage sources', 'Cancel', and 'Save' buttons. The Thomson Reuters logo is at the bottom center of the main interface.
